REPORTS

CHRISTIAN HIGHER EDUCATION

Report of Commission

As we reach the end of the quadrennial emphasis on Christian Higher Education, we can point with great satisfaction to some accomplishments, but certainly we would not be foolish enough to think that the emphasis on Christian Higher Education in the Louisiana Conference has accomplished all of its objectives.

We think that the efforts of our Commission has aided materially in the conference financial acceptance of Centenary College. Each successive year of the quadrennium has seen a growth in the One Dollar Per Member Fund by the churches of the Conference as reported by the college administration to this Conference. It is our hope and our belief that the acceptance of this obligation will be attained by more and more of our churches.

We can point with some satisfaction to our being nearer to the point of beginning construction of the Dean R. E. Smith Religious Activities Building. We are disappointed that we could not see the actual starting of this project during this quadrennium and we certainly hope that it might become a reality before the close of another Conference year.

In the area of Wesley Foundations, we have found during this emphasis period that the Wesley Foundations of the Louisiana Conference stand high in all phases with the Wesley Foundations across the Church. Certainly here, too, we have not attained the financial backing of the Foundation program that is to be desired, but this area, too, shows steady progress and we recommend to you the continued interest of this work across the Conference.

Our Director of Stewardship, Karl B. Tooke, reports that an examination of his statistics indicates that during the quadrennium the Conference giving to colleges and universities has increased during the period over 200 per cent and the giving to Wesley Foundations has increased over 100 per cent. Certainly we in the Commission do not remotely assume that credit for this increase is justly ours. We do feel, however, that the very existence of this quadrennial Commission has served to keep before us the need for support of Christian colleges and Wesley Foundations and the need for additional funds is more and more becoming a part of the accepted obligation of our churches. We, likewise, do not assume that our efforts produced the approximate million and a half dollars raised by Centenary College through its Development Fund campaign. We do, however, feel that the general interest created in Centenary College through the Commission had its direct bearing on the success of this campaign.

The General Conference, through specific legislation, has rec-

ommended that the Commission on Christian Higher Education not be continued as a separate entity, but instead a Committee on Christian Higher Education be set up in the Conference Board of Education and that this Committee continue toward development of knowledge and support for colleges and Wesley Foundations in the Conference. Bishop Martin and the cabinet have, or will, present to this session of Annual Conference a recommendation that this be done.

In conclusion I would like to quote from the General Conference Commission's report, which I think well sums up an overall review of the Commission on Christian Higher Education:

"The quadrennial emphasis has resuscitated the church relationship to the university at a crucial period in the history of American higher education. The nation has become aware of the power of the mind as a basic natural resource. Government, business, industry, and foundations are influencing the shape of higher education by their increasing support. In a very real sense, significant Christian higher education is facing the showdown years. Our church-related colleges and universities need from church people their understanding and appreciative enthusiasm for their role. Strength will be built by informed, enthusiastic, and loyal people who care about Christian higher education.'

CHRISTIAN VOCATIONS

Report of Commission

We come to the close of this quadrennium with grateful hearts for the small part we have been privileged to have in the area of Christian Vocations. We have continued during this past year to endeavor to challenge our finest and most capable young people and members of the Wesley Service Guild, first by pointing out to them the tremendous needs for personnel, and by trying to interpret to them a philosophy of Christian Vocations, and praying that they will be led of God to find their place in filling the needs. We earnestly request that every minister and lay delegate attending this Conference, will go back to his church with renewed concern in this recruitment program of our church, and a determination to cultivate and nurture the lives of those young people for whom they are responsible.

Three members of the Commission attended the Regional Seminar in Atlanta, Ga., this year, where much information and inspiration was gained. We have promoted the use of the film "Make All Things New," a film purchased by the Deaconess Board of our Conference. We think that the showing of this film has done much to arouse the interest throughout the Conference in the work of the

Deaconess. Five Districts have reported having Career Clinics, some with good results. Your chairman has spoken many times this year to local groups of the Woman's Society of Christian Service, Wesleyan Service Guild, Methodist Youth Fellowship, Sub-district and District meetings. Directors of Wesley Foundations over the State and the M.S.M. at Centenary college have cooperated in a fine way in keeping before the students the many possibilities of service throughout our church.

A Pilot Vocational Testing Program is to be had during the M.Y.F. State Assembly the week of June 6-10, with Dr. Dorothy Bird counselor. This Assembly is to be at Centenary College.

Upon request of our Commission last year, Centenary College has added to its curricula a course in Church Music and supervised Field Service in the field of Religious Education.

We wish to express our gratitude to Bishop Martin for his deep concern in this area of work, and his constant encouragement to us in our endeavors.

All members of the Commission have worked faithfully, but a special "thank you" goes to Rev. Don E. Wineinger, who served as chairman of the Commission four years, and who has been the secretary for the past quadrennium. His knowledge of this work and his untiring efforts and council, have proven most helpful to your chairman.

Although there will be a new Commission and new officers, we shall continue to work and pray that the time will come when every place of need is filled and every person will find his fulfillment in doing God's will.

CORA HARRIS, Chairman
DON WINEINGER, Secretary

DEACONESS BOARD

Report

During the past year there have been five deaconesses serving in the Louisiana Conference; two at St. Marks Community Center in New Orleans, one at the Methodist Home-Hospital, one at St. Paul's Methodist Church, Monroe, and one with the Board of Education in Shreveport. There are three honorary (retired) deaconesses residing within the bounds of the annual conference.

During the past year the Deaconess Board purchased the film "Make All Things New" for itineration in the Louisiana Conference. A contribution of \$25.00 was made for publicizing the film by the Committee on Christian Vocations.

The Board met in Alexandria in April. Plans were made at that time for a meeting in the fall or spring when the executive secretary of the Commission on Deaconess Work will be with us.

Plans were made for printing promotional materials to be used in conference meetings of youth, Woman's Society of Christian Service and Wesleyan Service Guild.

A deaconess interest center will be placed at the MYF Assembly to be held on the Centenary Campus in June. Leaflets will be available for those who are interested in them, at this interest center.

We hope that in the future at least one deaconess will attend the meeting of the Jurisdiction Deaconess Association to bring back ideas, information, and inspiration which will help us in our conference program of recruitment.

We plan to cooperate with the Commission on Deaconess Work in their program of a recruitment team which will visit college campuses throughout the country. In cooperation with the Wesley Foundation Directors we will invite the recruitment team to visit our college campuses during the coming year. With the great need

for workers in all areas of service we feel that this is an important emphasis for our board during this new quadrennium.

EDUCATION

Report No. 1 of Board

Section 1: Centenary College

During the past year the Board of Trustees of Centenary College has continued to work on the recommendations contained in the Survey Report made by the University Senate and the Board of Education of the Methodist Church. Progress has been made in carrying out the recommendations of this Report in that our counseling program has been strengthened with the addition of a full-time Dean of Students and a full-time Dean of Women who, during the past year, participated in 1,284 counseling appointments with our students. We now believe that Centenary is on the way to having one of the best counseling programs of any school in our country. This should add up to a stronger academic program and improved student morale.

We are glad to report also that some improvement has been made in the salary for teachers, although Centenary College still falls quite a bit short of the salary scale for state colleges in Louisiana.

It is my feeling that a very real academic progress was made during the year, and evidence of this is to be found in some distinct honors received by both students and faculty members. A Centenary student received a Rhodes Scholarship for the first time in our history.

Believing that religion should play an important part in higher education, the various religious organizations on our campus have been encouraged and strengthened. The "Quest" program, conducted by students each evening, and our Thursday chapel programs, have offered spiritual inspiration. The Willson Lectures, given this year by Dr. Robert E. Goodrich, Jr., one of our own Centenary "boys" and a member of the Board of Trustees, maintained the high level which we have come to expect in these annual lectures.

Dr. Webb Pomeroy, reporting on religious activities for the

year, has written, "... our faculty is most cooperative and interested in any program of religion. They speak, council, advise, discuss, challenge, and help students in many ways. They are able, and students find their lives enriched by their contacts with them, both in the class room and in religious meetings. By and large, these faculty members are active in their own churches. I believe this to be one of the most important aspects of religion at Centenary."

Dr. R. Leonard Cooke, vice-president of Centenary, reports that he believes approximately \$98,500.00 has been received this year for both the R. E. Smith Religious Activities Building and on the \$1.00 per year program. This is very good news indeed. It means that in cash and pledges we now have on hand for the R. E. Smith building approximately \$115,000.00. It is my feeling that by the end of another year at least \$160,000 will be on hand for this building. This can be realized if the ministers, district superintendents, and laymen of the Conference will push the "Dollar per Member" program in their churches during the coming months. To date, only a small number of individual Methodists have subscribed either to the general Development Fund of Centenary College or to the R. E. Smith Building Fund, and it is our hope that in some way all Methodists within the state can be given the opportunity of making a contribution to the R. E. Smith Building Fund.

Centenary College has requested Bishop Martin to appoint three persons as part of a committee for formulating building plans for the R. E. Smith Religious Activities Building, since it is our feeling that this building should be completed before another Conference year has ended. I am pleased to say that this building committee will meet with the architects at an early date, and that bids will be requested immediately upon completion of the plans.

The opening enrollment at Centenary College last fall was 770 full-time students, with 843 special students. If we include Summer School enrollment the total number of individuals taking work at Centenary College between June 1, 1959 and May 31, 1960 was 2,247. Of the 770 full-time students enrolled in the fall of 1959, 433 were men and 337 were women. Of these 295 were in the dormitories. With the completion of the George S. Sexton Memorial Dormitory for Women, on September 1 of this year, we will be able to accommodate 86 more women students. It is hoped that the Methodists across the state of Louisiana will be interested in seeing that a larger number of Methodist students from Louisiana homes enroll at Centenary.

At the Commencement Exercises on May 22, the College was pleased to confer an honorary Doctor of Divinity degree on Rev. Nathaniel Hawthorne Melbert, and an honorary Doctor of Laws degree on Dr. Clarence Hungerford Webb.

At its annual meeting on May 30, the Board of Trustees nomin-

ated to the Conference for reelection to the Board the following Board members whose term expire in 1960:

John B. Atkins, Jr.	Carl F. Lueg
Wm. Russell Barrow	C. H. Lyons
Paul M. Brown	H. Leslie McKenzie
Howard Crumley	George D. Nelson
Marlin W. Drake	Bonneau Peters
O. D. Harrison	Bentley Sloane
Mrs. Glenn E. Laskey	

It also nominated for election to the Board three new members, as follows:

W. Crawford Fullilove, Jr.	Charlton H. Lyons, Jr.
Emmett R. Hook	

We respectfully request the bishop to reappoint to the college Dr. R. Leonard Cooke, Dr. Webb D. Pomeroy, Dr. W. F. Pledger, and Rev. Harry Don Guynes.

EDUCATION

Report No. 1 of Board

Section 2: Methodist Student Work

The church is in the college and university because it has been called to affirm a faith which envisions nothing less than the total conquest of the minds, hearts, and wills of students, faculty and administration in the name of our Lord and Saviour Jesus Christ. The claims of our Lord stand prior to all human claims and ideologies. The purposes of the Wesley Foundation and Methodist Student Movement, therefore, are determined by the nature of the Christian Faith itself. (Paraphrased from 1956-60 METHODIST HIGHER EDUCATION report to General Conference).

The Louisiana Conference is committed to a program to expand and strengthen our Wesley Foundations and Methodist Student Movement. This has not been merely expressed in terms of a tremendous student center building campaign, but in terms of a new conception of Methodist Student Work. As Methodists in Louisiana became aware of the fact that most of its students are in state and independent colleges and universities, it became evident that we needed to provide an effective trained ministry for our students at state supported institutions of higher education. (see table).

If you would drop in on some of our Wesley Foundations today, you would be impressed not only by the beautiful buildings constructed to provide for a meaningful campus ministry, but a new program emphasis. "Gone are the cookie pushing days." Not that we do not still provide recreation facilities and suppers for student meetings, but the heart and purpose of the Methodist Student Movement is concerned with the fundamentals of Christianity. We

are asking fundamental questions as the following:

What is the Church's mission?

How is the Church's mission related to the academic community.

What does it mean to be a Christian student?

Let me mention only three significant things in our programs last year.

1. **WORSHIP.** Worship is central in the life of our Wesley Foundations and M.S.M. groups. Many of our centers have beautiful chapels, and students and faculty are rediscovering the meaning of Christian worship.

2. **STUDY GROUPS.** Students are called to the discipline of study. "A Christian student goes to his desk as to an altar." It is very encouraging to know that faculty are joining with students in their study of the Christian Faith. Non-credit courses in Bible and theology are offered in our Wesley Foundations.

3. **DEPUTATION TERMS.** 113 student deputation teams have visited local churches and MYF groups this past year; 345 students participated in this leadership training experience.

A highlight of this year's state activities was the Conference for Wesley Foundation Boards of Directors and Trustees, March 18-19, 1930 at Baton Rouge, La. This Conference provided information and "know-how" in the firm of addresses, workshop, and discussion. The conference was sponsored by the Quadrennial Commission on Christian Higher Education, Dr. William E. Clark, coordinating.

A Wesley Fellowship has been organized this year at Francis T. Nicholls State College at Thibodaux, Louisiana. And Northeast Louisiana College has selected a full time director for the next conference year.

The Louisiana Annual Conference has adopted \$1.00 per member for Wesley Foundations. In a nutshell, while we have over one half million dollars with less than 10 per cent indebtedness on our physical Wesley Foundation plants, the operational budgets stand or fall on an overall Conference movement to reach a minimum of \$1.00 per member from local churches. We rejoice in the spirit in which the \$1.00 per member asking is being undertaken.

We are coming to see our Wesley Foundation, as well as Centenary College, as a Conference responsibility. These Methodist institutions represent the totality of Methodism at work in Christian higher education. Therefore the \$1.00 per member for Wesley Foundations and the \$1.00 per member for Centenary College represents the magnificent way that the Louisiana Annual Conference is seeking to render an effective ministry in Christian higher education.

The chief task before our Annual Conference now must be to keep alive the dreams and the goals that have prompted the far

reaching program we have undertaken to provide an effective ministry at our colleges and universities. God grant that we may have the faith and the strength to discharge our stewardship, working by faith in Him who is the Truth, the Life and the Way.

Leadership Education

The major program of the Board of Education is Leadership Education. We work with all local churches in discovering, enlisting, and training workers. In addition to Leadership Classes in the local

church, we promote schools and classes on various levels: sub-districts, districts, conference, and jurisdictional.

For these many enterprises, we must secure leaders from the General Board, other conferences, our colleges, and a group of certified instructors in our own conference. We continue to recruit instructors from among our local church workers and assist them in becoming certified. At present, we have a list of 132 certified instructors in various phases of church work.

Leadership Schools - 1959-60:

Number of Schools	55
Number of Workers Enrolled	2,522
Number of Courses Offered	131
Number of Faculty	135
Out-of-Conference Faculty	21

Laboratory Schools are in great demand and each district is now having one or more. Seven Laboratory Schools have been held during this Conference year.

A number of subdistrict Bible Conferences were held and interest is increasing.

There were 43 adults and 16 children who attended the Leadership School and the Workshops, at Mt. Sequoyah.

Nine leaders from Louisiana attended the National Methodist Conference on Christian Education, in Cincinnati, Ohio.

Twelve local church workers attended the Jurisdictional Recreation Workshop.

Children's Work

Under the direction of Miss Shiela Nuttall, the program of Children's Work has made great strides, since September. She has taken special training at Nashville and at Mt. Sequoyah, and has selected a full staff of district directors. Three Conference Council meetings have been held, Vacation Church School Institute teams have been trained, and district Missionary Institutes held. Miss Nuttall has taught in a number of Leadership Schools and made visits to local churches. She is giving special help to the small church and is related to the Town and Country Commission and the Conference Deaconess Board.

Youth Work

The Conference Youth Council meets regularly under the guidance of Miss Louise Sharp. They have prepared a special handbook and calendar and publish a page in **The Louisiana Methodist** each month. The annual Conference of the Methodist Youth Fellowship, at Centenary College, is the climax of the year's program, at which time officers are elected. The workshops for local church officers are well attended. A Conference Recreation Workshop has

been planned for July. In cooperation with the Board of Temperance, the Alcohol Essay Contest for youth is sponsored, and a Youth School of Alcohol Studies is scheduled.

A total of \$7,447 was raised for the Methodist Youth Fund.

Adult Work

The Conference Adult Council met in October, with the Rev. Richard Murray, of the Texas Conference, as resource leader. The Rev. George Pearce, Jr., guided the adult work on the Conference level. District meetings of adult class teachers and presidents were held. Three Older Adult Camps were held in the summer. A number of Bible Conferences were sponsored.

Staff Additions

We are pleased to announce the addition of Miss Shiela Nuttall to the Conference staff as full-time Director of Children's Work and specialist in the work of the small church.

The Rev. Allen O. Jernigan came to our Conference staff as part-time State Director of the Methodist Student Movement, and the Rev. George Pearce, Jr., serves as volunteer Director of Adult Work.

Each year two Centenary students are employed as part-time secretaries, working with Miss Sharp and Miss Nuttall.

The Rev. Don Guynes came to Centenary College in September, as Director of Religious Life and the Methodist Student Movement. He is related to the Conference staff in this latter capacity.

District Staffs

Special effort is being made to keep an active Christian Education staff in each district. Some of these persons received special training at Mt. Sequoyah; and in October, a conference-wide workshop for all district staffs was held at Camp Brewer.

A new district staff member is the District Director of General Church School Work, who is being trained to assist the District Superintendent in setting up Leadership Schools and preside over the district staff. The district staff is composed of the following persons:

- District Director of General Church School Work
- District Director of Camping
- District Director of Adult Work
- District Director of Youth Work
- District Director of Children's Work

Camping

With the addition of Camp Istrouma, we now have three con-

ference camp sites which handle a full schedule each summer. The camping program is planned and directed by the Conference Committee on Camping, made up of the district directors of camping. Dr. Ben Oliphint is the Conference Director of Camping and serves as chairman. Miss Louise Sharp is the staff consultant.

An annual training conference for camp staffs is held each year the week following Easter. This is followed by district meetings of all camp workers before the camping season opens.

The Camping Committee has one or more fall meetings to evaluate the program and to make plans for the new season.

Summer Activities—1959:

	Campers	Staff	Memb.	Churches	Tot. Attend.
17 Junior Camps	1049	215	271	1264	
11 Intermediate Camps	596	94	143	690

Audio-Visual Aids

The Audio-Visual Library of the Board of Education is an important service center. New and improved materials are being developed constantly and our stock of materials continues to increase. We average 40 items a month in our mailing to local churches. Our stock includes not only films and film strips on all phases of Christian Education, but also material in the fields of Missions, Evangelism, Temperance, Stewardship, and Vocations. Recently, we have installed, in cooperation with Centenary College, a good film repair kit, including a viewer, rewinder, and splicer.

Mimeographed lists of our audio-visual materials are available to the churches.

Educational Buildings

The Methodist building boom in Louisiana Conference continues. The amount spent for new buildings and improvements last year was \$1,320,413. The Executive Secretary continues to offer help and counsel to any church planning a new building or remodeling an old one. He has given help to 35 churches in their building programs during the 1959-60 Conference year.

Ministers of Music

The Board of Education is now responsible for certifying Ministers of Music. Sixteen have made application and have been cleared. Mr. Richard Waggoner, Rayne Memorial Church, New Or-

leans, is conference chairman of our Ministers of Music. Application blanks are available from the Conference Office.

Directors of Christian Education

Two new directors have been certified this year by the Board of Education—the Rev. James Woodward and the Rev. Cecil Benoit. We now have a total of 17 certified directors in the Louisiana Conference.

A number of Educational Assistants have been added to our list. We now have 12 Educational Assistants serving churches in the Conference.

Every effort is being made at Centenary College to guide interested students into careers in Christian Education.

We also assist churches in locating special workers for summer service.

Student Work

The Rev. Allen Jernigan serves as part-time State Director of the Methodist Student Movement. With the addition of Nichols College, at Thibodeaux, we now have 9 Wesley Foundations on nine college campuses, in addition to the work at Centenary College. The Rev. Don Guynes is the director at Centenary. Nine of the Wesley Foundations have full-time directors. Northeast State, at Monroe, is the latest to add a full-time worker.

Approximately 5,000 Methodist students in Louisiana are served by this program.

The Annual Conference has adopted a plan of One Dollar per Member for the support of this program, and we urge all of our churches to participate in this plan. This will give a broader base for financial support and will release World Service Funds for other causes.

In March, the Board of Education sponsored a workshop for Boards of Directors of Wesley Foundations. The General Board sent leadership for this important new venture in our conference program.

A Student Steering Committee meets regularly to plan activities on a state level, and the Board of Education works through an Inter-Conference Commission on Student Religious Work (1956 Discipline, paragraph 1370).

In seven of our Wesley Foundations, accredited courses in Bible and Religion are being offered through a recently organized Wesley School of Religion.

Scholarships

We are pleased to note that Miss Marcella Flint is the winner of

the 1960 Schisler Award in Christian Education and is a student at Perkins School of Theology.

The following students at Centenary College are currently recipients of the National Methodist Scholarships:

Judy Clarice Horn, Logansport
Marie Nelson, Monroe
Jean Netterville, Baton Rouge
Fred Schwendimann, Coushatta
William Nelson, Bastrop

Cooperative Activities

In planning the district and conference programs, two important officers of the Woman's Society of Christian Service are included in the staff meetings: The District Secretary of Children's Work and the District Secretary of Youth Work.

Miss Shiela Nuttall is the staff member who is assigned to give special help to the WSCS and the Town and Country Commission.

The Board of Education staff is part of the Conference Commission on Christian Vocations and helps in promoting the District Career Clinics held each year.

In Missionary Education, we assist in district institutes and handle audio-visual materials for children, youth, and adults.

With the Board of Temperance, we cooperate in the Youth Alcohol Essay Contest, the School of Alcohol Studies, and the distribution of audio-visual materials.

In cooperation with the Woman's Society of Christian Service, we have produced a Tour Guide booklet, describing all Methodist work in Louisiana including certain historic places. These booklets are sent to groups in other conferences desiring to visit Louisiana.

The Pastors' School is a joint project of the Board of Ministerial Training and the Board of Education.

We also cooperate with the Woman's Society in the Conference School of Missions.

The Conference Commission on Higher Education has worked closely with the Board of Education, especially in developing a plan for the support of student work.

To keep pace with the anticipated growth of Louisiana (1.3% annually - Census Bureau) Louisiana Methodism must continue at least at its rate of increase for the Conference Year of 1958-59 (2%), which will result in the attainment of this goal:

150,000 LOUISIANA METHODISTS IN 1970

To reach this minimum goal these yearly gains must be made:

	Net gain	Total membership

A YEAR OF SPIRITUAL BIRTH AND GROWTH

1960-'61

If we are to have a decade of dynamic discipleship it must begin in a year of Spiritual Birth and Growth. This in turn must begin in a spiritual rebirth on the part of Ministers and a renewed emphasis on the great themes of redemption.

- I. **REPENTENCE**—A renewal of the basic concept of the seriousness of sin. A recognition of the necessity of repentance for all. A repeated emphasis on this requirement in the Lord's Supper: "Ye that do truly and earnestly repent of your sins . . . "
- II. **FAITH**—"Therefore being justified by Faith!" Not by good works or big gifts; not by belief in a creed or doctrine; not by anything but faith in Christ Jesus. "While he was describing the change which God works in the heart through Faith in Christ, I felt my heart strangely warmed."
- III. **CONVERSION**—Jesus said to Nicodemus, "Ye must be born again." We have said, "Join the Church." After Pentecost, Peter said, "Repent ye therefore, and be converted." We have said, "Buck up, try to live a clean life." Conversion, which means Turning To God, is a natural result of repentance and faith.
- IV. **DEDICATION**—"All on the altar" is language of another day but the need for dedication is greater today than ever before. If we can in some way lead church members into the dedication of their time, talents, and money to God, we will truly have a Decade of Dynamic Discipleship. In this year of Spiritual Birth and Growth, full dedication of all life should be a paramount aim of every church.
- V. **DISCIPLESHIP**—Dynamic Discipleship will make us Aggres-

sively Christian and Ardently Evangelistic. The dynamic of discipleship is dedication.

HOSPITALS AND HOMES

Report No. 1 of Board

POLICY AND ORGANIZATION

Since this is the last report of the present board of Hospital and Homes, we will merely state the policies of the past year concerning the support of the hospital chaplains in the several districts of the conference. This policy is in keeping with legislation affecting the administration of said funds:

A. The District Golden Cross Treasurers are to be recognized as agents of the Conference Board of Hospital and Homes, and are responsible to said Board, as well as to the District Superintendents of several Districts in which they serve.

- (1) They shall make annual reports to the District Superintendents and to the Conference Board at the meeting of Annual Conference, as to the amount and disposition of all funds for the chaplain's support handled by them.

- (a) We recommend this report be made at least 15 days before Conference.

(B) Each District Golden Cross Treasurer shall remit to the Treasurer of the Conference Board the sum of \$50.00 per year for the use of the Board in meeting the responsibilities with which it is charged.

(C) The District Superintendents are asked to instruct the chaplains that an annual report is to be made to the Board of Hospital and Homes on the work being done before the meeting of the Annual Conference each year.

- (1) The secretary to furnish forms to be filled out.

This working agreement with the district agencies which are jointly responsible with the board for the development of the church's responsibility and ministry in the hospitals of the state, will enable the board to discharge its duties in a satisfactory way

and permit the district superintendents to make the fullest of these provisions of the discipline affecting this important work.

We recommend again the plan adopted last year for the building of "homes for the aged" . . . That is to give authority to any district to establish, organize or construct a home for the aged.

E. P. DRAKE, Chairman

LEA JOYNER, Secretary

(Editor's note: The financial report of the Board is filed with the Secretary of Board and the Secretary of the Conference).

A Resolution

At the last session of Annual Conference, a recommendation was made to name a committee of three to work with the Hospital Commission in West Monroe during the planning stages of the hospital that city is to build, and which will be operated by the Methodist Church. (See pages 81-82, Conference Journal, 1959). The planning stage is now completed, and no provision is made for a liaison between the Conference and the Hospital Committee of West Monroe during the period of construction. In view of this fact, the Monroe District Superintendent called a meeting of the committee recommended by the Annual Conference, and it was decided that this resolution should be presented to this session of the Annual Conference for its consideration and possible approval.

"Whereas the Louisiana Methodist Annual Conference has adopted a resolution to operate a hospital being built by the citizens of West Monroe,

"And Whereas a committee was appointed at the last session of Annual Conference to work with the West Monroe Planning Commission during the planning stage,

"And Whereas the planning stage is now completed, and the work of this commission is now terminated,

'And Whereas this Annual Conference voted to have a permanent Board of Directors nominated by a committee consisting of the District Superintendent of the Monroe District, Rev. W. D. Milton, and Mr. Norman Rushing, for the consideration of this conference, to take charge of the hospital upon its completion,

"And Whereas no provision is made for liaison between the Conference and the West Monroe group during the period of construction,

"Be it therefore resolved that this Annual Conference go on record as amending its resolution of last year to read, "An Interim Board of Directors shall be elected at this session of Annual Conference whose scope of work shall consist of the following: (1) To work with the West Monroe Planning Commission, as representatives of the Methodist Church, during the period of construction in

the ways the local committee deems needful, (2) To be giving necessary consideration to the needs of the hospital furnishings that the church will be responsible for, such as the furnishing of the chapel, (3) To draw up a permanent charter for the operation of the hospital to be presented to the Annual Conference in 1961, (4) To begin correspondence with the General Board of Hospitals and Homes in search of a Hospital Director, and to negotiate with other needed personnel in order that their names can be presented to the 1961 Annual Conference for its consideration,

"And be it further resolved that this interim Board of Directors serve until a permanent board can be presented to the 1961 Annual Conference for its approval."

METHODIST CHILDREN'S HOME

The Methodist Children's Home continues to be very close to the hearts of all Methodists of our state. We are indeed grateful to God for the compassion that continues to move the hearts of men and women to care for children left without parents or home. A sincere effort is being made to meet the needs of the children who come from disturbed homes as well as those who come as a result of being left without parents. The response of the churches over the conference assures us of how dear the Methodist Children's Home is to hearts of Methodists all over the state.

We have before us the report of the Superintendent of our Children's Home. Also the reports of the Board of Directors of the Home, along with a copy of the audit. These we ask to submit without reading.

Superintendent C. B. White, who has so ably and courageously led the home for the past 23 years will all the zeal and enthusiasm that only one without the devotion and experience that is his, has seen fit to retire. A committee is seeking the proper leadership to succeed him and a report will be made in the very near future.

The following persons are submitted for election:

Report No. 3 of Board

METHODIST HOME HOSPITAL

The Methodist Home Hospital, an institution of mercy in the

Louisiana and Mississippi Conference continues to uphold the original contribution of the church in caring for the sick and homeless and showing a brotherly spirit.

The field of service—of helping unwed mothers and placing the babies in adopted homes is indeed a great field of service in the Methodist Church. The Methodist Home Hospital has the latest equipment and best medical care of any maternity hospital. The staff continues to be strengthened as qualified workers take their place of service in the Home. All requirements of the State Department of Public Welfare have been met. The Christian characters of the staff makes for harmony and efficiency.

The adoption agency is in good condition. There are plenty of good applications but the number is not burdensome. All eligible Methodist families that have qualified have been supplied and occasionally a good non-Methodist recommended by our pastors have been granted a baby.

The financial situation is satisfactory. No girl has been turned away in 7 years because of finances. The giving of the churches last year was \$27,000 under the budget. We encourage our people to give more and to include this worthy organization in their wills. To meet the needs of 1960-61 the conference has been asked to accept the same percentage and to give special emphasis to the Christmas offering.

Dr. Haughton is commended for his untiring efforts and consecrated service. He spends most Sundays in the churches, preaching and presenting the cause he represents. He is available for engagements as far as time will permit.

The Hospital is in need of an elevator. This cost of \$14,000 would be a wonderful memorial for someone.

We are reminded that the maintenance cost will increase with the age of the building. The Superintendent has acted wisely in taking care of the repairs as they are needed.

The spiritual life of the girls is being carefully looked after. Preaching, teaching, and counseling are available on every hand. The results are determined by the response of each girl. Every girl moves toward God and a better life while she is here. Emphasis is placed on the main lines of morality, truthfulness, honesty, sobriety, sincerity, trustworthiness and chastity.

The following persons are nominated to the Board of Trustees for the Methodist Home Hospital:

To expire in 1963—J. C. Love, Dana Dawson, Jolly B. Harper, Taylor Gaffery, A. J. Gainer.

To expire in 1962—James T. Harris, Jack H. Midyett, G. W. Romeroy, Virgil Morris.

To expire in 1961—Henry Bowden, Sr., Karl Tooke, Henry Wal-

cher, Jr., Dr. C. P. Lipston, Luman Douglas - to replace M. H. Melbert.

We therefore submit their names to the conference for election with the adoption of this report.

We commend Rev. L. D. Haughton for his dedicated and efficient services, and Mrs. Haughton for her continued services to the hospital without salary.

A copy of the Superintendent's report and audit report are submitted for adoption. We ask that we might file this report.

INTERBOARD COUNCIL

Report

The Interboard Council met during Pastors' School, last August, and prepared the conference calendar which was printed and mailed to each pastor.

The 1959 Annual Conference ordered the Interboard Council to present the following resolution to the 1960 session of the Annual Conference:

"Be it resolved that all Boards, Commissions, and Committees prepare reports, resolutions, and recommendations and send them to the Conference Secretary 60 days before the opening date of the Annual Conference; and that the Conference Secretary compile and mimeograph or print these reports and mail two copies to each minister 30 days before the Annual Conference convenes.

"(Exception to this rule will be the report of the Conference Treasurer and Statistician and the reports of the various Boards and Commissions that cannot be completed until the session of the Annual Conference).

"That any supplementary report prepared later, containing any resolutions or recommendations, be printed or mimeographed and handed to the delegates when the report is made to the Annual Conference.

"That the 1961 Annual Conference set up a committee to work with the Bishop in a study of the program and organization of the Annual Conference. (See 1959 *Journal*, page 105.)"

LAY ACTIVITIES

Report of Board

Continued progress has been made in our Laymen's Work this year. This has been made possible by your wonderful cooperation. The pastors and lay leaders of all our districts have been a real inspiration to all of us, we thank you very much.

The Methodist Men's Clubs have sponsored Davis Glass from Baton Rouge District with scholarship at Centenary College this year. Many of our Clubs have purchased a share in Alaska Methodist University. We have had a small growth in the number of Clubs Chartered.

Our Annual Laymen's Retreat held at Centenary College this past August was well attended, in fact we had our largest number attending we ever had. We especially invite the Laymen to be with us for our RETREAT at Centenary College this August 20-21st. We

have a good program arranged with a wonderful group of Laymen to lead us and bring us fine spiritual messages. We feel the fellowship this year will be a rich experience for any layman. We especially urge the Men's Clubs and Bible Classes to send a layman to this RETREAT. He will bring you inspiration back with him.

Again Every Member Canvas has been supported by our Board and we are much indebted to Brother Karl Tooke for this fine work he is doing in this field.

Methodist Men's Hour has been one of the fine projects our Clubs have undertaken. We hope many more will join in this project.

May God's Richest Blessings be upon each of you as we plan and work together.

MINIMUM SALARIES

Report of Commission

We, your Commission on Minimum Salaries, hereby express our appreciation for your support of the Minimum Salary Fund. This fund has not only rendered invaluable service to recipient pastors and charges, but also has been a vital factor in expanding the service of Methodism throughout the Louisiana Annual Conference.

We would like to present to you the purpose of the Minimum Salary Fund. The fund is a brotherhood fund provided by the ministers and churches of the Conference. The Commission on Minimum Salaries is to study the needs for additional ministerial support within the Conference and make recommendations on how these needs will be met. In accordance with provisions of paragraph 826 of the 1956 Discipline, the Minimum Salary Fund is to be used in addition to other supplemental aid or income from other sources to bring the total family income of a minister to the minimum salary schedule for that pastor. The Commission on Minimum Salaries helps to provide a living support for those whose charges do not pay the minimum salary schedule set by the Conference. We

find that as the minimum salary is advanced, the charges are challenged to raise to that level.

We ardently hope that the day may come when a permanent endowment may be established through wills and legacies, so that a more adequate ministry may be provided the charges of our Conference in future years. We feel our endeavor should be to promote more fairly and generously the economic welfare of all pastors and reduce to a minimum the tensions of inadequate incomes. Methodist people are always ready to rise to meet any legitimate appeal and we feel greatly encouraged by the response of our churches and ministers in this work of brotherly love and concern.

We are grateful for the progress which has been made in the minimum salary program during the quadrennium of 1956-1960. During the quadrennium the minimum salary schedule has increased from a maximum of \$3,000.00 for a pastor at the beginning of the quadrennium to \$4,000.00 which is granted at the present time. The maximum benefit given by the commission in the beginning of the quadrennium was \$500.00 and at present is 25 per cent of both salary and expense paid by the charge. Grants as large as \$1200.00 per year have been granted by the commission to individual pastors during the quadrennium. During the quadrennium 166 grants which total in excess of \$90,000.00 has been received by pastors of the Conference. The commission is pleased to present in Section V of this report a new Emergency Benefit Fund which will become effective as the quadrennium begins.

We, your Commission on Minimum Salaries, wish to make the following recommendations in accordance with provisions of paragraphs 826 and 828 of the 1956 Discipline of the Methodist Church:

I. PLAN OF APPORTIONMENTS FOR MINIMUM SALARY FUND:

1. That every minister in full connection with annuity claims, on trial, and all approved supplies, be assessed an amount equal to the one per cent of each minister's base salary.

2. That every church pay an amount equal to one per cent of its minister's base salary, or amount apportioned by the Commission on World Service and Finance.

3. That all payments be made to the Conference Treasurer with the definite statement whether paid by the church or the pastor.

II. STANDARDS OF ELIGIBILITY FOR MINIMUM SALARY ASSISTANCE:

1. All members of the Annual Conference and those on trial, along with all approved supplies, shall be eligible to share in the Minimum Salary Fund.

2. A charge, at the close of each year, must increase its pastor's salary a minimum of five per cent to continue to be eligible for minimum salary assistance. (Exceptions can be made for a pastoral

charge, where this increase would be a real hardship, only upon the recommendation of the Cabinet).

3. A pastor receiving minimum salary assistance is expected to do everything possible to have his charge conduct an annual every-member canvass in accordance with standards set by the Commission on Minimum Salaries and to carry out a stewardship program as proposed by the General Conference.

4. A charge must use lesson materials approved by the Methodist Church to receive minimum salary assistance.

5. To receive minimum salary assistance for the Conference Year of 1960-61, pastors shall have paid the required one per cent for the Conference of 1959-60 into the Minimum Salary Fund not later than May 15, 1960.

III. THE MINIMUM SALARIES SCHEDULE:

1. There shall be a basic minimum salaries schedule for the Conference Year of 1960-61 commensurate with the cost-of-living index as follows:

A. Pastor without dependents, who serves full-time and lives on the charge, \$3,000.00.

B. A married pastor who serves full-time and lives on the charge, \$3,600.00.

C. A student pastor without dependents who does not live on the charge, \$2,400.00.

D. A married student pastor who does not live on the charge, \$3,000.00.

2. Additional grants, up to a maximum of \$400.00, shall be paid as follows:

A. \$100.00 for each dependent child.

B. \$100.00 for each additional church on a circuit.

3. These amounts shall be paid monthly on the basis of funds available at the beginning of the Conference Year and in event of insufficient funds, appropriations will be made on a pro rata basis. The commission requests the power to increase the minimum salaries appropriations if sufficient funds are available.

4. In computing minimum salaries, the total family income from all sources shall be counted as a pastor's support.

5. The maximum amount to be provided by the Commission on Minimum Salaries for a pastoral charge, will be an amount not to exceed 25 per cent of both salary and expense fund paid by the charge and no charge shall share in the Minimum Salary Fund which pays less than \$2,000.00 for both salary and expense fund. Special exception to this rule may be made for new projects by a majority vote of the commission.

IV. PROCEDURE FOR RECEIVING MINIMUM SALARY**ASSISTANCE:**

1. As soon as feasible, after Annual Conference, the District Superintendents shall furnish a list of pastors who receive \$4,200.00, or less, to the Secretary of the Minimum Salaries Commission. This information shall include the pastor's address and his total income from all church sources, with exception of minimum salary assistance.

2. Each pastor listed by the District Superintendents will be supplied an information sheet which must be properly filled out and returned to the secretary of the commission before payments may be made from this fund.

V. EMERGENCY BENEFIT FUND:

1. An emergency benefit fund shall be established for the purpose of providing temporary income to effective members of the conference and approved supplies who have been incapacitated by illness or accident.

2. Written request for such emergency benefits shall be made to the commission by the cabinet.

3. Following consultation with a conference doctor, the pastor's District Superintendent and the Official Board of the church being served by the disabled pastor; the Commission will endeavor to provide emergency benefits for the pastor from the time of disability to the end of the conference year in which the disability occurs.

4. Emergency benefits shall be paid for a longer period than provided above only upon recommendation of the cabinet and approval of the commission after reconsideration.

5. Emergency benefits shall be paid only to ministers who have been consistent in paying the one percent minimum salary apportionment and those who participate in the conference hospitalization insurance program.

6. Effective date for the installation of this plan will be the beginning of the conference year of 1960-61.

7. Funds for the operation of this plan will be provided from the minimum salary fund without an increase in the minimum salary apportionment.

JACK COOKE, Chairman

J. J. CARAWAY, Secretary

To help meet this need we recommend:

1. That all churches be urged to pay World Service askings in full, and that they be reminded of additional increases for 1961-62 made necessary by General Conference increase of 50 per cent in askings from Louisiana.

2. That established churches, where possible, be urged to borrow money from local sources to meet extension needs. Or, where

necessary, to borrow money from our Revolving Loan Fund on the following basis:

- (1.) The Treasurer of the Louisiana Conference Board of Missions shall set up a special account, to be called "The Revolving Loan Fund."
- (2.) Loans from the Revolving Loan Fund may be made (a) to established churches who are not in the missionary category but are in need of temporary assistance, or (b) to missionary congregations for which other Conference funds are not available or recommended.
- (3.) Loans from the Revolving Loan Fund may be for any purpose having to do with extension needs, including building, renovation, repairs, equipment, or purchase of land.
- (4.) There shall be a ceiling of \$1,000.00 on any loan made from this fund.
- (5.) All loans shall be interest free during the first three years after they are granted, but interest at the rate of 6% (six per cent) per annum shall be charged thereafter.
- (6.) No mortgage shall be needed for loans from this fund.
- (7.) No loan shall be made for a period to exceed five years.
- (8.) Every loan shall be witnessed by the Pastor and the District Superintendent of the church borrowing the money.
- (9.) Official forms prepared by the Board of Missions shall be used, with every note to be filled out and signed in triplicate.
- (10.) Every check on said account shall be countersigned, with any two of the three executive officers (Chairman, Secretary, and Treasurer) being sufficient signature to validate any check.

3. That attention be called to the fact that the Louisiana Methodist Children's Home has contracted with the Division of National Missions to make available a portion of its **endowment** funds through future bequests for first mortgage loans to new Methodist churches in Louisiana, and that this contract has been activated by two recent bequests totaling \$35,000.00, and that we urge Methodist agencies, institutions, colleges, boards, corporations, etc., to consider similar contracts for portions of their investment.

4. That we urge all churches which have received extension grants through the years and now are financially able to lift the Refunding Bonds held by the Conference and National Board of Missions by returning all or a portion of such and to enable us to help more churches, by following this procedure:

- (1.) That all congregations able to do so pay off such Refunding Bonds in full, the proceeds to be put in the Revolving Loan Fund.
- (2.) That congregations unable to repay in full be allowed to have such bonds representing Louisiana Conference donations cancelled by repaying \$50.00 for amounts up to \$500.00, plus the full amount in excess of \$500.00.
- (3.) That the secretary of the Conference Board be authorized to certify such cancellation to the proper authorities on fulfillment of the indicated conditions.
- (4.) That attention also be called to the fact that when Refunding Bonds for conditional donations from the **National Division** are repaid that the **National Division** makes 90 per cent of such repayments available for new church gifts within the Annual Conference.

5. That the Thousand Club be commended for its assistance to—new churches since its organization in 1953, and that the Conference Stewardship Director be authorized to cooperate with the Thousand Club in future emphasis of its work by sending out first notices of each call to all Thousand Club members. (Subsequent notices would be made by District and Local Church Thousand Club Directors, and all payments would continue to be made as at present—to Local Church and District Thousand Club Treasurers.)

6. That the Annual Conference authorize the Louisiana Conference Board of Missions to incorporate under the laws of the State of Louisiana, subject to provisions of the Methodist **Discipline**.

7. That District Workshops in Missions be held to encourage local church Commissions of Missions to function effectively.

We urge all churches not only to pay World Service askings in full but to carry Advance Specials in the four fields: (1) **World Missions** (including work in the new "Lands of Decision"—Argentina, Pakistan, Southern Rhodesia, and China - in - dispersion) (2) **National Missions** (with especial emphasis on the Indian Mission work in Oklahoma, the Rio Grande Conference work among Latin Americans, and Negro work of the Central Jurisdiction) (3) **Conference Advance Specials** (which include The Thousand Club, Migrant Work in Louisiana, Retired Ministers Homes Project, and District Missionary projects approved by the District Superintendents), and (4) **M.C.O.R. Specials**.

We call especial attention to this year's Church-wide Mission Study Book on the alcohol problem, "Stumbling Block" written by Dr. Douglas Jackson of our own conference.

PENSIONS**Report of Board**

We, the Board of Pensions of the Louisiana Annual Conference, wish to thank both the laymen and the ministers for their continued interest in the welfare of our retired ministers and the widows and children of those who have served the church as ministers. Because of this concern, we are able to make this report:

We are delighted to report:

First, that we will be able to pay sixty dollars (\$60.00) annuity this year to all regular Conference members.

Secondly, that we will be able to pay forty dollars (\$40.00) annuity for the local supply work.

We recommend:

1. That we request the World Service and Finance Commission to provide for the Conference Claimants Fund \$190,000.
2. That the one per cent assessment of the pastors' salaries shall be paid by all pastors, associate pastors, and local supplies receiving appointments within this Conference, who shall become claimants on this Board.
3. That this Board shall be granted the right to transfer an amount of our reserve fund from the Building and Loan Companies where it is presently invested to the General Board of Pensions, in Chicago, where the rate of interest will be higher, provided that the General Board will give us written assurance that the money may be recalled at any time that it may be needed to take care of any emergency in meeting the needs of our claimants.

4. That the Sunday before Thanksgiving be designated Retired Ministers' Sunday and that an offering be taken or an amount placed in the budget for the Retired Ministers' Homes.
5. That the Board set up a study committee composed of W. D. Milton, Judge Robert J. O'Neal, J. W. Matthews, Jr., and M. W. Merrill to study the pension plans in operation in other Conferences and make recommendations to the Board concerning ways of implementing our work.

We further recommend to ministers and laymen the desirability of making bequests to the Endowment Fund for the retired ministers. Certainly, money could not be better spent than in providing a more adequate income for these veterans of the cross who have served so faithfully and well and have given to us such a wonderful heritage.

The Louisiana Conference paid on the basis of \$57.00 per service year, which includes the amount of the General Board distribution. All conferences now include the amount of the General Board distribution in their annuity rate. Under the divided annuity plan the General Board of Pensions collects from other conferences for those who served outside of Louisiana, remits to the Louisiana Annual Conference Board of Pensions, and we distribute the amount.

A RESOLUTION

Pertaining To Jurisdictional System

WHEREAS, the General Conference of 1960 has approved a proposed constitutional amendment (designated as Amendment XII), which will be submitted to the several Annual Conferences for adoption, which provides, in part:

"Art. IV - Each Jurisdictional Conference shall convene: (a) at the time and place of the General Conference, or (b) in more than 60 days prior to the date of the General Conference, at such time and place as the preceding session of the Jurisdictional Conference, or its delegated committee, by a two-thirds vote, may determine,"

and,

WHEREAS, the Jurisdictional Conferences of the South-Central Jurisdiction have always been held within the geographical limits of the jurisdiction, and such conferences have been uniformly

successful in the promotion and development of the program of the Methodist Church at the jurisdictional level, and it is the considered judgment of the delegate body of this Annual Conference that to hold Jurisdictional Conferences at some distant point, without the geographical limits of the jurisdiction, would seriously impair and adversely affect the work and program of the jurisdiction, and would tend to restrict attendance of the elected delegates. Further, we believe that to hold the Jurisdictional Conference at the same time and place of the General Conference would result in much physical inconvenience, as to time and place of meetings; would result in the enactment of hasty legislation and greatly increase the expenses incidental to such Conferences, all to the detriment of the jurisdictional structure of the Methodist Church, to the ultimate end of weakening the efficiency and effectiveness of the jurisdictional program. NOW, THEREFORE, for these, and other reasons too numerous to recite herein;

BE IT RESOLVED BY THE LOUISIANA ANNUAL CONFERENCE duly assembled at Shreveport, Louisiana, that this Conference hereby reaffirm its confidence in, and approval of the jurisdictional system of The Methodist Church, as presently constituted, and that this Conference favors the continuation of the existing policy of holding future Jurisdictional Conferences only at places within the geographical limits of the South-Central Jurisdiction.

BE IT FURTHER RESOLVED, ETC., that copies of this Resolution be furnished to all the delegates of this Annual Conference to the 1960 Jurisdictional Conference, and that copies also be sent to "The Commission on Arrangements and Expenses" of the South-Central Jurisdiction and to the secretaries of the Annual Conferences within the South-Central Jurisdiction.

WHEREAS, At said same election held December 2, 1958, the tax payers of Ward 5 voted a one-half mill tax for a period of five years, to be used for the purpose of operating and maintaining the said proposed hospital,

NOW THEREFORE, BE IT RESOLVED, by the Board of Commissioners of Hospital Service District No. 1 of the Parish of Ouachita, State of Louisiana, that the Louisiana Conference of the Methodist Church, South Central Jurisdiction, is hereby requested to accept, operate and maintain, when completed, a proposed 106

All of which shall be in conformity with, and in accordance with, the general policy of the Board of Hospitals and Homes of the Methodist Church, employed in operation of various hospitals throughout the United States.

BE IT FURTHER RESOLVED that the Louisiana Conference of the Methodist Church, South Central Jurisdiction, is further requested to appoint a committee of not more than 3 persons as representatives of the Methodist Church to work with said commission during the period of planning and construction of said Hospital.

C E R T I F I C A T E

The above and foregoing Resolution is a true and correct copy of the Resolution unanimously adopted by the Board of Commissioners of Hospital Service District No. 1 of Ouachita Parish, Louisiana, at a meeting held May 25, 1959.

A RESOLUTION

Petitioning the Return of Bishop Martin

WHEREAS, the General Conference of 1960 has provided legislation, which when implemented by the South-Central Jurisdiction, will provide for the creation of an Episcopal Area for the State of Louisiana, with New Orleans having the Episcopal residence, and

WHEREAS, Bishop Paul E. Martin has given dedicated and inspired leadership to this conference in past years and by the example of his devotion to duty and his service with us has materially and spiritually contributed to the growth and progress of Methodism in all areas of service within our Conference, and

WHEREAS, this Annual Conference is deeply appreciative of the consecrated leadership of Bishop and Mrs. Martin for their service to us in the past, we feel that his continued presence with us in the organization of the new Episcopal Area will signally contribute to the maintenance of the program of the Methodist Church in this area, now therefore:

BE IT RESOLVED BY THE LOUISIANA ANNUAL CONFERENCE assembled in Shreveport, Louisiana, this May 25, 1960, that, with full realization of the fact that the Church may require his leadership and experience in other areas of service, we respectfully petition the Committee on Episcopacy of the South-Central Jurisdiction to assign Bishop Paul E. Martin to the New Orleans Episcopal residence of the Louisiana Area, at such time as this residency is formally approved by the South-Central Jurisdiction.

A RESOLUTION

Seashore Methodist Assembly Property

Whereas the Seashore Methodist Assembly at Biloxi, Mississippi, owned jointly by the Louisiana Conference, the Mississippi Conference, and the Alabama-West Florida Conference, is valuable property which should be developed for church purposes, and

Whereas such development has been hindered because of the difficulty of getting three Conferences to agree on a development program.

Now therefore be it resolved that the Louisiana Annual Conference of The Methodist Church, South Central Jurisdiction,

1. Authorize its trustees to meet with the trustees of the two other Conferences to prepare necessary papers for the transfer of the property to the Mississippi Conference by agreement of a majority of trustees from each Conference in order that such Conference may proceed with any desired development program for The Methodist Church.
2. Stipulate that the Mississippi Conference trustees, after three years from the date of transfer, give evidence, satisfactory to a majority of the trustees of each, the Alabama-West Florida Conference and the Louisiana Conference, authorized to execute this transfer (or their duly appointed successors) that substantial progress has been made in the development program.

In the event of lack of evidence of such satisfactory progress, the property shall be appraised and sold at then current prices, and the proceeds divided equally between the Louisiana, Mississippi, and Alabama-West Florida Conferences, giving proper recognition of Mississippi investment.

3. Stipulate that should the property ever be sold for other purposes than church usage the proceeds from such sale would be divided equally among the three above-mentioned Conferences.
4. Stipulate further that this action shall take place after funds received from the sale of the latest 8.5 acres to the City of Biloxi, plus funds received from street right-of-way sales, are divided among the three Conferences.

5. Stipulate further that this action is authorized only if the Alabama-West Florida Conference and the Mississippi Conference pass similar resolutions authorizing the transfer of the property to the Mississippi Conference.

RESOLUTIONS

Report of Committee

We do not possess the ornate language of our predecessors, nor do we have the imagination of a Saint Paul, but we do possess the sincerity to say thanks for a most gracious Conference.

We are so inadequate when we come to say thanks to Centenary College for her wonderful hospitality, to Dr. Joe Mickle, who did everything for our comfort, to Dr. Leonard Cooke, the hostesses of each of the dormitories, and the others connected with the college for all their kindness, and especially for the Coffee Shop for its southern coffee.

We are eternally grateful to the First Methodist Church for the use of its wonderful facilities for the evening preaching service and the splendid way they served the great crowd who gathered to honor our beloved Bishop and his charming wife.

Our Conference was made more meaningful to the City because of the wonderful coverage by the newspapers and our own **Methodist Information** and **The Arkansas-Louisiana Methodist**.

We are grateful to the Bishop for asking our beloved Superannuate preachers to conduct our morning devotions. We thank the Board of Evangelism for bringing to us Dr. Kenneth Shamblin—all of us shall be better for having heard his inspirational messages. We would not forget the morning devotions which were led by some of the very fine young preachers of our Conference.

Our morning worship was made more helpful by the musical leadership of Dr. A. C. Voran and Mr. William C. Teague at the organ.

We could not close these thanks without saying "Thank you" to one of the finest spirits who ever presided over this Conference. Bishop Martin has endeared himself to all of us by his gracious presiding—never in a hurry, but always getting the work done. All of our lives will be richer for having had Bishop Martin and his wife with us for these sixteen years.

RETIRED MINISTERS HOMES BOARD, Inc.**Report of Board**

We are deeply grateful to our blessed Lord for answering our prayers this past Conference year and making it possible for us to reach our GOAL of the SALE of 1500 SHARES. We are very thankful to all who responded to His Spirit's leadership and purchased SHARES as individuals, groups and churches. Without the fine co-operation of both pastors and laymen this could not have been accomplished.

At the close of our financial year we are able to report that we have issued a total of 1699 SHARES as follows: To churches 536 shares \$5,358.33, to groups 31 \$956.25, to individuals 380 shares \$10,-072.24, cash on hand but no record of where it came from \$8.49, gifts from out of the state \$98.00, special gift for Shreveport home \$500.00, giving us a grand total receipts of \$16,933.31 for the year.

In the above figures we have included two special gifts for which we are deeply grateful, one from Mr. Robert S. Wynn of Grace Church Ruston for \$2,000.00 and one from our Shreveport contractor Mr. J. H. Yancey for \$2,632.24. The special gift of \$500.00 for the Shreveport home was not included in the District totals.

We have been greatly encouraged by the fine response we received from the first letter sent out in October to those who had made contributions in past years. We mailed 475 letters with return envelopes (marked) and at the close of the year, May 24th NO LESS THAN 48 per cent of these letters had been answered with contributions.

You can see by THE TOTAL RESPONSE of churches, groups and individuals that there is a growing interest IN THIS PROJECT. The past year has proven THAT WHEN THE PASTORS present the program in their local churches, SAY A FEW WORDS OF PERSONAL ENDORSEMENT and give it their personal support, the church will make a good showing.

We do ask that the pastors check with their local treasurers shortly after the offering is taken and get them to send the offering in to the following address at the earliest possible date. This is a new address—RETIRED MINISTERS HOMES BOARD, Inc., 3728 JUDSON STREET, SHREVEPORT, LA.

During the past year, Dr. R. R. Branton, District Superintendent of the Lafayette District, located a lovely lot in Lafayette and it was purchased by our Board for the sum of \$3,000.00. WE HAVE IN RESERVE CASH AMOUNTING TO \$11,500.00 for the building of HOME No. 6 as soon as there is a need for it. We were fortunate in securing a fine lot on Redd Street in North East Pineville for \$1,900.00 on which the MEMORIAL given by Miss Rosa Mixer has been built and which is being occupied by Rev. and Mrs. George Dameron. This home cost us \$11,605.00, \$10,000.00 of this was given

by Miss Mixer of Broadmoor Church, Shreveport and the remaining amount was paid from the General Building Fund. The lot on which the Shreveport home has been built was purchased last year at a cost of \$2,783.75. This home No. 5 at 3728 Judson was dedicated on May 20th by Bishop Paul E. Martin and will be occupied by Rev. and Mrs. James Grambling. With the addition of an extra room rear of the CAR PORT a STATE HEADQUARTERS OFFICE has been established. The cost of this building was \$13,632.24. Of this amount \$11,000.00 was provided by one of our good friends in Shreveport and \$2,632.24 was contributed by the contractor, Mr. J. H. Yancey. THIS WAS A NON-PROFIT JOB. The next bidder was \$13,750.00 without any extras and we had quite a few of them before we finished.

I have given as much time to the promotion of this work as my pastorate would allow and have traveled more than 1100 miles in interest of the project. I have circulated about 140,000 pieces of literature and written some few personal words of thanks to every one purchasing INTEREST SHARES. This has called for 549 letters plus the many letters of a business nature that the office of Chairman calls for.

I have been very fortunate in having the fine cooperation of several of our best laymen. Mr. Mike John, Jr., of Monroe, our Treasurer, has done an excellent job in the handling of our funds. A careful study of the treasurers' report will show that Mr. John has placed our funds where they would draw the best interest and also be insured. Mr. J. R. Russell, of Shreveport, our Secretary, has been of great help to me during the building of the home in Shreveport. He has always been ready to help in every way. Mr. Charles N. White of Alexandria, our Vice Chairman, and Dr. A. W. Townsend, District Superintendent, rendered us a great service in caring for the details of building the Pineville home. We are deeply grateful to these laymen for their cooperation.

We are happy to report that since this project started in 1953 we now have property valued at \$76,953.59 and cash in hand \$30.-118.63 a total cash raised in the seven years amounting to \$107,-077.22. These figures are given in detail in the treasurers' report.

To the Bishop, the Superintendent of the Shreveport District, Dr. Jolly B. Harper, Dr. Ewing T. Wayland, Editor of our Louisiana Methodist, to the ladies of Mangum and Wynn Memorial Churches and to all others who helped make the dedication service of Home Number Five at 3728 Judson Street such a pleasant affair, I WANT TO SAY AGAIN, THANKS AND GOD BLESS YOU.

To the PASTORS and LAYMEN of the Conference I am deeply grateful for your fine cooperation and I pray that you will continue to support this work with your daily prayers and your gifts. Please help us keep it before our people. FOR IT IS A CONFERENCE PROJECT. GIVE IT A PLACE IN YOUR CHURCH PROGRAM and

it will bring you great joy in the years to come to look back and be conscious that you have had a part in providing a home for one or more of your preacher brothers.

Recommendations

THAT THE MONTH OF NOVEMBER be continued as Retired Ministers Homes MONTH throughout the Conference.

That it shall be a vital part of the District Superintendents responsibility to bring this project before his pastors and churches, under his care, as a Conference project which can be reported in the annual report under Conference Advance Special.

THAT WE SET AS A GOAL the enlistment of as many churches, groups, and individuals as possible who will PURCHASE ONE OR MORE INTEREST SHARES at \$10.00 each, with a total GOAL OF 2000 SHARES this Conference year.

WE SUGGEST THE FOLLOWING WAYS THE PASTORS CAN COOPERATE—

1. By circulating the literature provided by the Board.
2. By taking a congregational offering and sending it in AS A CHURCH OFFERING.
3. By setting a local church GOAL the purchase of a definite number of SHARES. (A suggested base from which to work is 25 cents per member.)
4. By enlisting various groups and individuals within the local church to purchase SHARES at \$10.00 each.
5. By placing an amount in the local Church Budget for this project.
6. By being on the alert to suggest to your people the inclusion of this project in their will.

We covet the wholehearted support of our Bishop, the District Superintendents, and our laymen in helping us reach the GOAL OF THE SALE OF 2000 SHARES THIS CONFERENCE YEAR.

We recommend the election of Mr. Charles N. White, Alexandria, Weldon Brumfield, Amite, and Mayo Foreman, Sulphur, to the Board of Managers term to expire 1963.

We ask the Conference to authorize the Conference Secretary to include our annual financial report in the printed Journal.

SOCIAL AND ECONOMIC RELATIONS

Report of Board

We are grateful for the privilege given us by the Conference of serving on this Board during the past four years. It has been a stimulating and exciting experience to face together the great issues with which we have had to deal. In Christian fellowship with each other we have discovered that there can be a meeting of minds despite a difference of opinions.

Among the projects and activities of the Board during this quadrennium have been the holding for two years of Church-Labor-Management Seminars. Seminars have been held in Shreveport, Baton Rouge, Lake Charles and New Orleans. Through these we feel significant contributions have been made in better understanding of industrial problems and in developing better communication between ministers, labor, and management.

We have encouraged attendance at the South Central Regional Briefing Conference, held at Mt. Sequoyah. Members of the Board attending the Briefing Conference felt it was very valuable.

We call attention to the action of the General Conference in making the Commission on Christian Social Concerns a mandatory commission in the local church. We urge local churches to organize the commission immediately that it may begin functioning at the beginning of the new quadrennium.

J. P. WOODLAND, Secretary

STEWARDSHIP

Report of Commission

The thrilling history of the Christian religion has been written by people in all generations who have dared to put faith and works together in an attempt to conquer new heights for Christ. Such has been the Quadrennial program of Stewardship in the Louisiana Conference.

We rejoice in the faith and foresight of Bishop Paul Martin, the Cabinet and the Commission on World Service and Finance in initiating and guiding this program. Their selection of the Rev. Karl Tooke to serve as Conference Director of Stewardship brought to the task one who had a rich background of experience in the pastoral ministry, organization and building programs in the local church, the work of the Conference Board of Missions and Church Extension, and as Superintendent of the Lake Charles District. The able and devoted leadership given by the Director has produced a new chapter in the annals of Christian experience in Louisiana, and has brought national recognition to our Conference. No tribute could be too extravagant in appraising the constructive results of Brother Tooke's labors during this Quadrennium.

The value of the Stewardship program is indicated by the wide variety of growth factors included in its execution. The very term "Stewardship" has taken on a new and more inclusive meaning for the people of Louisiana Methodism. The tithe as the minimum standard of giving for Methodist people has been made a matter of conscience and conscientious consideration. The Every Member Canvass has brought more people into the practice of regular, proportionate giving to the work of God's Kingdom than ever before. The fact of putting local churches on a business-like basis of planning, publicising and producing growth in Christian Stewardship has given our people a broader insight into the entire program of the Church and has evoked a new respect on the part of countless laymen.

The number of churches participating in the Every Member Canvass has grown steadily, from 169 in 1955-56 to 301 in 1959-60. This latest report indicates that 64.2 per cent of the churches, representing 90.2 per cent of the membership in the Conference, were

participating. When the reports for this final year of the Quadrennium are completed, it is anticipated that another substantial number of participating churches will have been added. Growth in dollars pledged shows a rise from \$3,378,966 in 1955-56 to \$6,002,191 for 1959-60. It is anticipated that the 1960 EMC will reveal that we are approaching the 100 per cent level of increase for the Quadrennium.

In the light of the foregoing facts, we reaffirm our recommendation that such agencies as the Conference Board of Missions and Church Extension and the Conference Commission on Minimum Salary make no grants to established churches until said churches have conducted a thorough Every Member Canvass.

We further recommend that the fruits of this experimental program be conserved and expanded by the diligent pursuit of its major procedures in an ever-increasing number of churches, whether it be under the impetus of a Conference program or as a matter of local choice. We are more than confident that it will be so, if it can be said of us as Paul wrote of the Macedonian Christians, "... first they gave themselves to the Lord ..."

TEMPERANCE

Report of Board

This has been another year of progress in a quadrennium that has seen many significant additions made to the program promoted by the Conference Board of Temperance. We submit the following report of work during the 1956-60 Quadrennium:

The Essay-Speech Contest continues to be one of the most rewarding projects sponsored by our Board. Interest was especially good this year. Some 65 young people across the state entered the contest and prepared essays on the Subject: "Alcohol And Traffic Safety". Miss Dorothy Risinger, of the Welsh Methodist Church, was the first place winner. During the Quadrennium some 200 young people have become intimately concerned with some aspect of the alcohol problem by doing the research necessary to participation in this contest. Hundreds of other youth and adults have been influenced by these contests as the contestants have given their essays in many churches throughout our conference.

During the Quadrennium four young people and four adults have received training at the annual Youth School on Alcohol Studies sponsored by the General Board of Temperance. For a number of years the winner of the Essay-Speech Contest was sent to this school as part of the prize. Two years ago a change in policy was made and now the Board pays the expenses of the young person in charge of the Citizenship Program Area on the State M.Y.F. Council. This serves to correlate the temperance program with the youth work of the conference.

Another area in which our Board cooperates with the State M.Y.F. Council is in the planning and sponsoring of a week-end Youth Seminar on Alcohol Studies. This program has been so well received by the youth of the state that it is hoped that it can become a yearly affair.

During the Quadrennium extensive effort has been made to train the District Directors of Temperance and other key adult leaders.

Our Board has sent representatives to the annual Regional Briefing Conference, Adult School on Alcohol Studies and several special training opportunities that have been made available by the General Board of Temperance.

Believing that education is an important step toward the solution of the alcohol problem our Board for the past two years has planned and sponsored Fall Seminars for the training of leaders in the local churches. This past year Dr. Arthur Foster, professor of Personal Counseling at Vanderbilt University, was secured to lead these seminars. Attendance and response was very good.

During the Quadrennium our Board has continued to encourage local churches to observe World Temperance Sunday (this year, October 30, 1960) and Commitment Day (this year, December 4, 1960). These special days offer an excellent opportunity for pastors to explain and expound the Methodist position of Total Abstinence.

As this Board completes its term this year, it recommends continuation of a planned program in this area based upon the emphasis and experience of past years. It is hoped that the merger of the Boards of Temperance, World Peace, and Social and Economic Relations into one Commission, ordered by the recent General Conference, will not diminish the effort for temperance in our conference. We trust that those responsible for the promotion of temperance in the new quadrennium will continue and expand the program developed by the Board of Temperance in past years.

Our work this year, as in past years, has been made easier and more effective because of the cooperation and helpfulness of the Louisiana Moral and Civic Foundation, Dr. W. Earl Hotalen, its Director, and his staff. We commend them for their support of the forces of righteousness in our state. We renew our request that District Superintendents, pastors and the laity of every church take appropriate action for budgeting twenty-five cents per member each year for the support of its work, paying this preferably in monthly installments through the conference treasurer. We also strongly endorse the \$200,000.00 Building Fund Campaign of the Louisiana Moral and Civic Foundation, and ask that all our churches provide in their budgets their fair share of this amount.

TOWN AND COUNTRY Report of Commission

Thirty delegates from Louisiana attended the National Town and Country Conference in Wichita, Kansas, July 21-24, 1959. At this Quadrennial meeting we received a new vision of rural Methodism and of the means of increasing its effectiveness.

A study book prepared for this Conference, "Emerging Patterns

in Town and Country Methodism", has been supplied to each District Superintendent of our Conference and should prove of great value in planning for the future. Each District has also been supplied with a film strip which presents the basic findings of the National Conference.

The Secretary of Town and Country Work, Rev. John H. Sewell, has consulted with District Superintendents and ministers in several areas in an effort to establish a cooperative approach to area problems. The film strip on The Group Ministry has been shown to a number of interested churches. The only solution to many of our town and country church problems is through the organization of Group ministeries and the sharing of ministerial leadership and other resources by groups of churches. Rev. Sewell has also spoken to several W.S.C.S. study groups on the origin, value, and importance of the Town and Country work and the Lord's Acre program, discussing with them ways of helping in this ministry.

The film strip "This Sustaining Bread" has been sent to a number of churches which have held the study "The Church's Mission in Town and Country." A film strip on the Lord's Acre program is also available from the Commission and has been supplied to a number of churches during the year.

The Chairman of the Commission spoke at the United Church Women's Missions Institute on the study book "Land, People, and Churches." This Institute was held in Baton Rouge last fall. Other members of the Commission have spoken to W.S.C.S. study groups. Rex Squires and Miss Shiela Nuttall have helped in this way. Books and leaflets have also been provided to churches from the Commission library to aid in studies.

Your Town and Country Commission urges the establishing of a full time Secretary of Town and Country Work. There is far too much to be done by volunteer workers. There is urgent need for the following projects to be carried out:

1. The conducting of workshops for student supply pastors.
2. Surveys and the establishing of group ministeries.
3. Conducting a Conference Institute on the group ministry and district workshops on Town and Country Church administration.
4. Establishing a library and visual aids depository.
5. Providing direct aid to small churches in the areas of evangelism, leadership training and stewardship.
6. Establishing a goals and recognition program whereby small churches are challenged and recognized for outstanding performance.

A full time Secretary of Town and Country work would help to bring new life to many struggling congregations.

We request the annual appointment by the District Superintendents of a District Director of Town and Country Work. This person

might be a member of the Conference Town and Country Commission or any other qualified leader in town and country work. This would insure having a representative of this cause in each district regardless of moves by ministers or laymen during the quadrennium.

WOMAN'S SOCIETY OF CHRISTIAN SERVICE

Report of Conference President

At our Annual Meeting held at Noel Memorial Methodist Church, Shreveport, Louisiana, we brought together one evening the presidents of the merging groups of the Methodist women's work in 1940. On the program there was present a member of the Methodist Protestant Missionary Society, the president of the Woman's Home Missionary Society of the Southern Conference Methodist Episcopal Church South; in addition, the presidents who had served since unification were there. That night was one in which the former presidents, looking back into twenty years, took stock and out of the rich experiences of those twenty years told of some of the gains, some of the hopes, some of the trials, and much of the joy of service during those years.

After the organization meeting in 1940, the first Annual Meeting was held in 1941 at Noel Memorial Methodist Church, so it was fitting that we met there to observe our twentieth anniversary.

To study the financial progress through these 20 years is to see a reflection of the devotion, the interest, and the concern of Methodist women. In 1940, the pledge to missions was \$20,000.00. In 1950, the pledge was \$81,290.50. Today, I am happy to report the amount paid on our pledge for 1959-60 from the Wesleyan Service Guild and the Woman's Society of Christian Service is \$134,412.68, nearly seven times the amount that was paid twenty years earlier. During this same period, however, we need to remember the value of the 1940 dollar has decreased 47.7 percent.

In addition to the money that the local societies give to our work in 32 nations around the world, in 1959 the report of the Louisiana Conference shows \$119,119.00 was given to local work. Methodist women have provided \$136,556,878 since unification for service in the local church.

During the past 20 years the Woman's Division has appropriated over 221 millions of dollars to missions, while the Woman's Society of Christian Service of the Louisiana Conference has given \$1,563,-301.84 to help make up a part of this 221 million dollars. Louisiana has consistently been the highest in per capita giving in the South

Central Jurisdiction. Through our cultivation fund, through our cash for supply work, through the many activities of the Woman's Society of Christian Service in Louisiana, our conference treasurer has handled \$168,379.80 during this year.

We found in our stock taking that membership has not kept pace with our giving. We had 13,362 members in 1940, 414 of those being members of the Wesleyan Service Guild; twenty years later we find our records showing 16,000 members of the Woman's Society, 2,002 are of the Wesleyan Service Guild. This is a gain of about 2,700 members and the Wesleyan Service Guild has made the greater portion of that gain.

We find that in 1947 in the Wesleyan Service Guild there were 52 units with a membership of 860. Their pledge to missions at that time was \$5,600.00. Today, the Wesleyan Service Guild will report 2,200 members, or more, at the end of 1959-60, and they gave to missions \$16,987.42 from the 109 units now organized. In 1947 the Guild had its first Week-end with a registration of 37. Now there is not a place large enough to accommodate the crowd so the registration is limited to 150. Just nine years ago at the Spring Annual Meeting of the Guild the registration was around one hundred and now there are 300, or more, at each of the Guild Annual Spring Meetings.

Dr. James K. Mathews, in a recent address entitled "Eternal Values of the World of Change," refers to the 3 great gifts that God has given us which we take for granted—the gift of memory, with which we project ourselves into the past; the gift of anticipation, with which we project ourselves into the future; the gift of present awareness, of self-consciousness, of living in this moment. We were aware and are grateful, for the gift of memory as we projected ourselves into the past and realized some of the work of the Woman's Society of Christian Service.

The gift of present awareness, of living in this moment, and the gift of anticipation, with which we project ourselves into the future of the Woman's Society of Christian Service are the gifts we wish to consider now.

Last year Pilot Studies on employed women in the church and community were held in each conference. In Louisiana, eight surveys were made in eight different community categories—the industrial church, the city church, the suburban church, the small town church, the rural church. According to statistics for Louisiana, women constitute 43 percent of the Methodist of Louisiana, but only 30 percent of these women belong to the Woman's Society or the Wesleyan Service Guild. It appears also that many women are employed, but just as many women are not employed. We need to look at our Woman's Society and Wesleyan Service Guild and decide what we can do about membership.

One of the things that we have done for 1960-61 is set a goal of

10 percent increase in membership in each district, with recognition at our next Annual Meeting for those districts having achieved this gain.

In a recent letter from one of our missionaries in Seoul, she writes, "How we need personnel. I know that we have said this so often that it now is beginning to sound trite, but it continues to be our main need. Please send us some teachers for our schools, Christian Education Directors for country work, nurses for our hospitals and clinics, a field treasurer, social workers for our community centers. These are all needed now." The Woman's Society has taken for its goal to have one accepted new worker from each district each year. If we can reach our goal of one accepted new worker from each district, we can help meet these workers who are all needed now.

One of the ways we believe will be helpful to enlist our young people for church-related careers is sending delegates to missionary conference at Mount Sequoyah. You know the selection of the youth delegates is to be made by a committee of three—the district superintendent, the district missionary secretary, the district president of the Woman's Society or the District Woman's Society of Christian Service secretary of Youth Work. The president and the secretary of Youth Work are both willing to cooperate in any way they can in helping to select the youth delegate from their district. This section for young people conducted there is a challenging one. Louisiana needs eight delegates to send to that conference.

Another area in which we believe recruitment for the church can be implemented is through our deaconesses. In the South Central Jurisdiction, five deaconesses have been on the college and university campuses to give emphasis to the work of the deaconesses. We believe if the deaconesses can be used on the college campus and in meetings of youth, students, and young people that their lives and work will be a challenge for others to join with them in service. We are grateful for the four missionaries serving in the foreign field, the twelve deaconesses and employed workers on the home field, and the six retired deaconesses who have gone out from Louisiana.

We hope in the Woman's Society to do all that we can to create an atmosphere that will build a faith that will impel our young people to serve Christ in His Church.

Louisiana women have consistently shown growth in attendance at the School of Missions, particularly, after it was set apart from the Pastors' School. In 1959, we had 354 enrolled in the study courses, with 315 credits given. There were 188 enrolled in the clinics for the officers and secretaries of lines of work. The Guild reports for last year that each unit—these 300 or more—have from two to four approved study courses for JR credits.

In the area of Christian Social Relations, many of our societies

are holding citizenship brunches. We are told there are nearly five million more women than men eligible to vote in 1960 election, so Christian women, as responsible citizens, face even greater challenges to understand national issues, to provide information for the public, to vote with courage and conviction and to influence government policies on the national, state and local level. The direction in which our nation moves the next ten or twenty years on the domestic front, as well as in foreign policy, may well hinge on the understanding and action of the voters in 1960. Louisiana Methodist women, through the citizenship brunches, are attempting to have an understanding of issues and to take Christian action on those issues in 1960. As has been stated, we feel, "This is no time for the complacent to inherit the earth."

We had as the theme for our Annual Meeting "Christ's Changeless Purpose for a Changing World." In the area of Christian Social Relations we are facing changes which affect our lives daily—tensions, fears, are a part of our daily living, but we believe Methodist women are and will continue to study, pray and strive to find "Christ's Changeless Purpose—his eternal values in a world of change."

As we accept the "gift of living in this moment," this year we find the districts are having excellent attendance at the seminars and Spring meetings.

Time here does not permit the accounting of so much of the outstanding work of the districts and the local societies, but the nine million dollars appropriated by the Woman's Division to missions in 1959—the work of the 900 projects in 32 countries and the 2,000 missionaries and deaconesses and employed workers in these projects records the work of the women in local and district Woman's Societies of Christian Service, for they are responsible, they made possible this Christian concern for women and children here and around the world.

As we think of the "gift of anticipation," projecting ourselves into the future, we realize there are many areas in Louisiana where we need to move forward in the work of the Woman's Society of Christian Service. There are 21 unorganized churches yet. We note there are only three districts 100 per cent organized—namely, New Orleans, Lake Charles and Shreveport. Though we have organized seven new societies in the past year, our net gain is only one society. Our reports through 1960 show 916 new members for the Woman's Society of Christian Service. We do not know yet what the total membership will be at the end of the year, for we have in the past few years lost almost as many members as we have gained.

We had at our Annual Meeting the privilege of having Mrs. Elisa Ocera, Executive Secretary of the Board of Missions of the Philippines, who was one of the 11 women who came from 11 different countries as guests of the Woman's Division. As she spoke to

us on "Missions Today" in the Philippines, we realized anew the great fact of our church, and knew that to keep faith with the church we must extend the boundaries of our concern.

The women of Louisiana Methodism face the future with faith as we review our past record, and seek to have love undergird our endeavor in our present activities.

"We do not say, 'Lord, we are able, but, Lord, we are ready to serve.'"

WORLD PEACE

Report of Commission

We, your commission on World Peace, want to express appreciation to all the pastors and the people, with whom they labor, for cooperating in the programs suggested or recommended by the Commission during this quadrennium.

New and greater challenges will doubtless unfold before us as we seek to discover ways and means of applying Christian concepts and principles as the criteria in resolving differences be they found in large or small groups, in church or in society, nationally or worldwide. The repetition of these thoughts seems trite but are some of the ingredients of the Christian gospel proclaimed by the Methodist Ministry.

In keeping with this, we recommend that this year the local Methodist churches of the Louisiana Conference observe October 23, United Nations Sunday, as World Order Sunday with special emphasis on World Peace.

That the minister preach a sermon on World Peace and that a place be given in the morning worship service for a member of the Commission on Christian Social Relations to present a five-minute talk on this subject. The Conference Commission on World Peace will continue the practice of sending materials and suggestions to every pastor to implement this program.

In the interest of unity and understanding in our church and among the people of our nation we suggest Prayerful study and discussion of the conditions that tend to divide us and bring disharmony within the ranks of our church and society. We believe that lifting these for prayerful consideration through designated groups within the church, will minimize our differences and give us a stronger Christian foundation for our attitudes and purposes. With proper Christian understanding, the things that make for division are often removed.

Finally, we suggest that the pastors lead the churches in a special prayerful support for the president of the United States and

other national leaders who hold the future of this nation in their hands in these very crucial times. Let us remember the prophet Zechariah's words of wisdom, "Not by might, nor by power, but by my spirit, saith the Lord of hosts," Zechariah 4:6.

WILLIAM B. "JACK" SHAW, Sec'y.

WORLD SERVICE AND FINANCE

Report No. 1 of Commission

The Louisiana Annual Conference in session last year, 1959, requested the World Service and Finance Commission to restudy the plan of apportionments in order to arrive at a more workable and equitable system than the decimal plan adopted at the 1956 session of the Annual Conference.

In compliance with this request your commission on World Service and Finance devised such a plan which, after the approval of the cabinet, was then submitted to the District Conferences.

Therefore we recommend a new decimal for all conference askings to be applied to each local church and to be derived from the following factors taken from the last published journal of the Louisiana Annual Conference:

- a. One-third on the basis of membership
- b. One-third on the basis of the pastor's salary
- c. One-third on the basis of total non-building given (that is a total for all purposes less amounts paid for debts, buildings, and improvements).

The decimal derived from this formula for each local church will be applied to the following conference items: (1) World Service and Conference Benevolences, (2) Conference Claimants Fund, (3) District Superintendents Fund, (4) Episcopal Fund (which, by action of the General Conference, is an amount equal to two per cent of the total pastors' salaries of the Louisiana Annual Conference, (5) Minimum Salary Fund, (6) Annual Conference Fund, (7) General Conference Fund, (8) Jurisdictional Conference Fund, (9) Radio and TV Fund and (10) Interdenominational Fund.

In accordance with Paragraph 771 of the 1956 Discipline (or its equivalent paragraph in the 1960 Discipline) all ministerial items must be paid proportionately. Although each such item is determined by a common decimal, in effect we are apportioning each item separately to each local church. All non-mandatory items shall continue to be at the option of the local church.

WORLD SERVICE AND FINANCE

Report No. 2 of Commission

1. The Commission on World Service and Finance recommends that it become the established policy of the Conference that all

Conference apportionments and grants become payable at the end of each Conference year.

2. The Commission further recommends that the Louisiana Conference establish its fiscal year to be from June 1 to May 31, and that all Conference reports and payments be made in full to the Conference Statistician and Treasurer by May 15 of each Conference year.

3. We authorize the Conference Treasurer to close his books annually on May 15th, accepting only such reports as are post-marked by midnight of that date.

4. In accordance with action at the General Conference, we recommend that the payment of an amount equal to one dollar per member of each local church be paid for support of Centenary College, and that this amount be placed in the budget of each local church.

5 (a) It is recommended that the Louisiana Annual Conference grant permission to the pastoral charge to pay an amount not to exceed \$1,200 as a Pastor's Expense Account, providing that the salary set by the Fourth Quarterly Conference be maintained. In no event shall a charge reduce its pastoral salary in order to raise the expense account.

(b) It is recommended that the Louisiana Annual Conference grant permission to the pastoral charge to pay an amount not to exceed \$600.00 as utilities expense, provided that salaries not be reduced below the 1959-60 level. Such payment is to be reported in a column provided on conference report blanks.

6. It is recommended that all boards and commissions receiving funds through the Commission on World Service and Finance be requested to submit a financial statement at the end of each Conference year, together with plans, programs, and asking for the coming year; that these reports and requests be in the hands of the Secretary of World Service and Finance Commission 48 hours before the opening date of the Annual Conference.

7. We further recommend that the Board of Directors of the Methodist Home Hospital be granted the privilege of presenting the maintenance budget of the Home to each church with a suggested amount of 4 per cent of the pastor's salary to be raised by that church; with the suggestion that said amount be included in the budget of the local church. It is further recommended that Christmas Sunday, December 25, 1960, be designated as Methodist Home Hospital Sunday and that the offering for maintenance be received on that day, unless otherwise planned by the local church.

8. It is recommended that the Louisiana Annual Conference give its continued endorsement to the Louisiana Moral and Civic Foundation and that Dr. W. Earl Hotalen, State Director, be given

every moral and financial support and every opportunity to present the operating and building fund needs to the congregation.

9. We recommend that all boards, commissions, and committees receiving funds from the Conference Treasurer be required to submit a list of all investments, and returns therefrom, to the Conference annually.

10. We recommend that a Sunday in the month of November be designated as Retired Minister's Home Sunday, and that an offering be received in each congregation for the support of the work of Retired Ministers Homes, Inc.

11. The Commission on World Service and Finance commends the Rev. Karl B. Tooke, Conference Director of Stewardship and Promotion, for his effective leadership in this field; and we recommend the continuation of the program with the following adjustments: (1) Hereafter this work shall be under the direction of and with the cooperation of the Louisiana Annual Conference Cabinet. (2) Local church analysis and suggestions for improvement will be provided free of charge to local churches which furnish the required basic information. (3) The local church will reimburse the expense of travel and entertainment for special trips. (4) The budget for the office is as follows:

Salary	\$ 8,000.00
Housing	1,800.00
Office Expense	900.00
Transportation	1,800.00
Meals and Hotel	500.00

Total\$13,000.00

12. We recommend that all churches in the Louisiana Conference complete their respective pledges to the R. E. Smith Religious Activities Building as early as possible.

13. We recommend that pastors and laymen call to the attention of their members and friends the stewardship approach to Christian giving in regard to a Christian Will. "Remember the Church in Your Will" should be given special meaning as it brings to mind the institutions related to the Annual Conference and general boards and agencies of The Methodist Church. We suggest a local church Committee on Wills and Legacies to work with and secure information and guidance from the Committee on Wills, Bequests, and Gifts of the Council of World Service and Finance, Dr. J. Homer Magee, Director, 740 Rush Street, Chicago 11, Illinois.

14. The Board of Missions is authorized to incorporate as a non-profit trading corporation under the laws of the State of Louisiana and subject to the provisions of The Methodist Discipline.

ONE THOUSAND CLUB**Report**

The Louisiana Conference Thousand Club has assisted three new churches this Annual Conference as follows:

Jefferson Church—Baton Rouge	\$10,000
Metairie Church—New Orleans	9,800
St. Mark—Monroe (incomplete)	

For the first two calls completed the Districts have contributed as follows:

District	Jefferson	Metairie	Total
Alexandria	\$ 920	\$ 920	\$1840
Baton Rouge	1580	1580	3160
Lafayette	680	680	1360
Lake Charles	1020	1020	2040
Monroe	1320	1320	2640
New Orleans	1160	1160	2320
Ruston	1220	1020	2240
Shreveport	2100	2100	4200

It is confidently expected that when the current call for St. Mark's in Monroe is completed at the end of May that the entire \$10,000 expected will be forthcoming.

In addition to these amounts turned over to the parent club, each District retained balances for Mission purposes in its own boundaries.

"CALLS" MADE ON CONFERENCE YEAR BASIS

No call is made during June-July-August.

The "call" for the first church to be assisted for the Annual Conference year 1960-61 will be for September-October-November.

The "call" for the second church to be assisted will be during December-January-February.

The "call" for the third church to be so assisted will be during March-April-May.

The names of churches to be assisted during the Conference year 1960-61 will be announced prior to each "call" period.

Your Thousand Club Committee recommends:

1. That the first notice for each "call" come from a central office to all Thousand Club members in the Conference, and that each District Superintendent cooperate with his District Thousand Club Director in securing complete files of names and mail addresses of all Thousand Club Members.
2. That subsequent notices be made by District and Local Church Thousand Club Directors as at present, and that all payments be continued as at present through Local Church and District Thousand Club Treasurers.

G. A. MORGAN

On Sunday morning, June 21, 1959 the transfer of membership was made for Reverend G. A. Morgan from the Church militant to the Church Triumphant. In his home-going the Conference surrendered one of its most beloved members. In appointment after appointment he loved the people from sin to grace for they saw reflected in his life the image of the Christ. He forgot self, exalted Christ and preached that the way of the Cross leads home. With St. Paul he determined early in his ministry that he would preach Christ and Him crucified.

Early in the writer's life Brother Morgan came to be his minister. It was under the influence of this preacher's Christ-like life that he was persuaded to yield himself to Jesus, so richly exemplified in his Pastor's life. What memories linger yet of that teenage boy who on a summer Sunday night, walked down the aisle to give Brother Morgan his hand and his heart to God.

When the years began to come upon this preacher of the Word, and his body was tired with its infirmities, he never lost his smile or his gentle word of hope.

Born at Indian Bayou, Louisiana, August 28, 1888 he received his early education in the schools there. Later he took a business course in Shreveport and subsequently was enrolled in Centenary College.

On December 17, 1907 he married Edith Hoffpauir of Indian Bayou and to this union was born two sons, G. A. Morgan, Jr., who resides at Silver Springs, Maryland, and Creighton Morgan who resides in Shreveport, Louisiana.

Brother Morgan heard God's call to the ministry and yielded himself to it. He joined the Louisiana Conference in December, 1903. In the course of his splendid ministry he served the following appointments: Glenmora, Provencial, Opelousas, Jonesboro, Houma, Mission, Jonesboro, Bastrop, Hammond, Arcadia, Springhill and Mangum Memorial, after which he transferred to the West Central Conference in Texas. This was occasioned by an effort to find a compatible climate. For Brother Morgan was plagued with an asthmatic condition which brought constant discomfort. West Texas, however, proved no better climate for his illness and after three years he returned to his beloved Louisiana and to his favorite appointment at Jonesboro once again. From there to Winnfield, Springhill, Cedar Grove, Jennings, Ida, Haughton and Hodge where he served the last 7 years of his ministry, and from whence he retired and moved to nearby Jonesboro where he made his home until that fateful day June 21, 1959 when God called him from labor to rest.

At his going we think of the lines of Samuel Coleridge—

“How well he fell asleep!
Like some proud river, widening toward the sea;
Calmly and grandly, silently and deep,
Life joined Eternity.”

How sweet is the memory of this humble servant of God. And we who are left behind know that in God's good time when the “Silver Cord is loosed and the pitcher is broken at the well” we shall join him there. For the “Beyondness” of life is real, the reality of the invisible is unmistakable and heaven is very near.

“Blessed assurance Jesus is mine,
O What a foretaste of Glory divine.
Heir of salvation, purchase of God,
Born of His Spirit, washed in His blood.”

And this shall be our story and our song as it was his in life and in death, “Praising my Savior all the day long”.

GEORGE W. POMEROY

MRS. C. J. THIBODEAUX

On January 28, 1960, Avelie Gautreaux Thibodeaux, wife of Rev. C. J. Thibodeaux, moved from her earthly house to “an house not made with hands, eternal in the heavens.” In her wake linger lovely memories.

She exemplified in her life those sublime virtues which characterize a true servant of God and man. A vital personal faith in a redemptive Lord of love motivated all of her life. A strong sense of loyalty to her Lord, her church, her fellowmen, and her family enabled her to meet the challenge of being a wife, a mother, and a homemaker as well as a co-worker of her husband during those lean years of service in the French Mission area. Her courageous spirit manifested itself when, even in the face of failing health, she strove to fulfill the responsibilities of a homemaker and pastor's wife. Her gracious manner and her ability as a cook made her a hostess par excellence. The beauty of her spirit was reflected in her love of flowers. She not only loved flowers but she also successfully grew them. She truly had a green thumb. She often said “if I can prevent it no place of worship in which my husband conducts a service will be without the adornment of flowers.” This service of love was characteristic of her life.

True heart and wise, that with Love's Key
Didst open all life's mystery.
And buy life's treasure at a price
Of Love's perpetual sacrifice!

The peace that Love finds hid in care;
The strength that love-bourne burdens bear;
Serenely facing life and death!

The blessing that in blessing lies—
These didst thou know, true heart and wise!
Now God hath added, last and best,
The sudden glad surprise of rest.

ROSSITTER W. RAYMOND

Mrs. Thibodeaux was born November 9, 1896 in Lafourche Parish near Labadieville, Louisiana. She attended school at Labadieville Catholic Convent but before finishing high school it was necessary for her to assume the responsibility of the homemaker for her father and her sisters and brothers. Her mother had died when Mrs. Thibodeaux was only ten years of age.

On December 16, 1912 she was married to C. J. Thibodeaux. Two girls and three boys were born to this union of whom three are surviving, namely: Harry, of St. Martinville; C. J., Jr. of Los Angeles, and Mrs. J. V. Payfers (Fern) of Indian Head, Maryland.

In 1919 Mrs. Thibodeaux, with her husband, C. J. Thibodeaux, united with The Methodist Church as converts from the Roman Catholic Church. Three years later in July C. J. Thibodeaux was licensed as a Local Preacher and at the following Annual Conference in the Fall was appointed a Supply to a French Mission church. The greater part of their ministry was spent in the French Mission Area. Mrs. Thibodeaux on several occasions filled the pulpit effectively when Brother Thibodeaux was ill.

On January 30, 1960 funeral services for Mrs. Thibodeaux were conducted in the Thibodeaux Methodist Church by the Rev. R. R. Branton, assisted by the Rev. E. W. Day and the Rev. R. E. Walton. Her body was laid to rest in the Episcopal Cemetery of Thibodeaux, Louisiana.

R. E. WALTON

MRS. MARY McKERALL WIER

Mrs. Mary McKerall Wier was born in Franklin, Louisiana, and spent her entire life here. She was a daughter of the late Wilson McKerrell and Fannie Louisa Gordy.

In 1932 when Reverend C. C. Wier was sent to Franklin for a second term of service (he was the minister here in 1909) he married Mrs. Mary McKerall Cross, and they continued to live and serve in Franklin until his death in 1935. Mrs. Wier remained here until her death, which occurred on November 4, 1959.

Mrs. Wier began teaching Sunday School in 1907 and taught for forty years. Not too long ago, she said that she was quite sure that she had taught at least two thirds of all the Methodists in Franklin today. She was at one time Superintendent of the Home Department, and visited the sick and those who could not attend church services. She was also Superintendent of the Cradle Roll and visited children who were too young to attend Sunday School. Her life was truly devoted to the work of the Lord.

In 1956 when a new sanctuary was built in Franklin, her former Sunday School pupils gave a prayer altar in her honor. It was placed in the prayer room of the church.

Affectionately known to young and old as "Mamie" her life stands out as a shining example of a true Christian.

She is survived by one sister, Lorena McKerall O'Niell (Mrs. John A. O'Niell).

W. MCKERALL O'NIELL

MRS. J. B. WILLIAMS

"The Louisiana Conference never had a more loyal, faithful, and unselfish preacher than J. B. Williams". With these words, Dr. W. W. Holmes began the Memoir of the Reverend J. B. Williams, published in the Louisiana Annual Conference Journal of 1942. Now, with the death of his beloved widow, Mrs. J. B. Williams, how perfectly fitting to say, "The Louisiana Conference never had a more loyal, faithful, and unselfish preacher's wife than Mrs. J. B. Williams". However, this writer can go even farther to say, "Miss Leila (as she was affectionately known) was one of the finest Methodist Christians ever."

Mrs. Williams was born in Sumter County, Alabama, on March 22, 1863. She attended Tuscaloosa Female College. Later she moved to Homer, Louisiana, where on February 5, 1913, she married the Reverend J. B. Williams. After retirement with Mr. Williams in 1933, she made her home in Many, Louisiana, where she continued to live until her death on February 1, 1960.

The writer had the privilege of being her Pastor for four years, up until eight months before her death. Though not present at the time of her death, and thus not knowing exactly what her last moments were like, any one who had the privilege of knowing her, would know that her faith, her assurance, her knowledge of and complete commitment of God, and her preparation for the final journey . . . all these made for a moment of triumph even in death.

Like John Wesley, there surely was in her heart, if not on her

lips, during the last hours of her life—

“I’ll praise my Maker while I’ve breath;
And when my voice is lost in death,
Praise shall employ my nobler powers;
My days of praise shall ne’er be past,
While life, and thought, and being last,
Or immortality endures.”

And she, too, could say with him, “The best of all is, God is with us.”

Funeral services were held from the First Methodist Church of Many, Louisiana, by her Pastor, Rev. J. W. Matthews, Jr. and the writer. Burial was in Many Cemetery. Appropriately, these words have been placed by her family on the stone that marks her final resting place—

“Faithful to her Trust, even unto Death.”
